

GET READY

to Apply for or Renew Your

HEALTH INSURANCE MARKETPLACE COVERAGE

You can apply for or renew your Marketplace coverage by visiting [HealthCare.gov](https://www.healthcare.gov) or by calling the Marketplace Call Center at 1-800-318-2596. TTY users should call 1-855-889-4325.

Before you start your application, there are a few things you should gather to help make the process go quicker and easier. Gather this information **before** you go online or call to start your application, or before you go to a meeting with a navigator, certified application counselor, assister, agent, or broker, if one of these people is helping you. If you don't take the time to gather these things now, you may need to log back in or call back several times before you can complete your application. This can be stressful and take up valuable time.

Information about your household size

Your Marketplace application will ask you about each person in your household.

For the Marketplace, your household usually includes the tax filers and their tax dependents, but there are exceptions. Sometimes the Marketplace includes people you live with who aren't in your tax household.

You should include yourself on your application. Here's a basic list of the other people you should generally include, if these apply to you:

- Your spouse
- Your children who live with you, even if they make enough money to file a tax return themselves
- Anyone you include on your tax return as a dependent, even if they don't live with you
- Anyone else under 21 who you take care of and who lives with you
- Your unmarried partner, only if one or both of these apply:
 - * They're your dependent for tax purposes
 - * They're the parent of your child

If you need more information, visit [HealthCare.gov/income-and-household-information/household-size](https://www.healthcare.gov/income-and-household-information/household-size), or call the Marketplace Call Center at 1-800-318-2596.

Home and/or mailing addresses for everyone applying for coverage

Where you live can affect what health coverage you're eligible for.

You'll enter your home address to indicate whether or not you're a resident of the state where you're seeking coverage (you'll select your state at the beginning of the application.) You can't list a P.O. box as your home address.

You may be asked for your mailing address. A lot of times, this will be the same as your home address. But, if it's not, pick a mailing address in the state you live in, if you can. You can enter a street address or a P.O. box.

If anyone on your application has a different home and/or mailing address, you'll need to have it also.

Information about everyone applying for coverage

Your Marketplace application will ask you to enter some basic information about everyone applying for coverage, including their relationship to you. Relationships include: spouse, domestic partner, parent, stepparent, parent's domestic partner, son/daughter, stepson/stepdaughter, child of domestic partner, brother/sister, uncle/aunt, and nephew/niece.

Visit [HealthCare.gov/help/relationship-questions](https://www.healthcare.gov/help/relationship-questions) for the complete list of relationships.

Social Security Numbers (SSNs) for everyone on your application

Your Marketplace application will ask you to enter each person's 9-digit SSN. The Marketplace will verify the SSNs with Social Security, based on the consent you'll give at the start of your application. You can leave this field blank if a person doesn't have an SSN or doesn't want to enter it, but they may need to provide more information at a later time.

This information will only be used for eligibility for health coverage. For more information, visit [HealthCare.gov/help/do-i-need-to-enter-my-social-security-number-ssn](https://www.healthcare.gov/help/do-i-need-to-enter-my-social-security-number-ssn).

Your best estimate of your household income for 2015

Policy numbers (this only applies if anyone in your household currently has a health insurance plan)

Your Marketplace application will ask if anyone in your household currently has health coverage, including Medicaid, the Children's Health Insurance Program (CHIP), Medicare, TRICARE, VA health care program, Peace Corps, or coverage through individual insurance or an employer.

If anyone has coverage now, gather their policy numbers. You can find this information on their insurance card or documents they get from their plan.

Employer information for each person in your household

Your Marketplace application will ask you to enter the basic employer information for each person in your household who has a job, even if they don't have coverage through that job.

A completed "Employer Coverage Tool" (this only applies if anyone in your household has or is eligible for coverage through their employer)

You'll need to fill out an "Employer Coverage Tool" for every job-based plan someone in your family is eligible for, even if they're not enrolled.

To get a copy of this form, visit HealthCare.gov/downloads/employer-coverage-tool.pdf. Your employer can help you fill this out.

Notices from your current plan (this only applies if anyone in your household had Marketplace coverage in 2014)

If anyone had Marketplace coverage in 2014, you'll need plan materials from your current plan that contain your Plan ID. This will make renewing your coverage easier.

Now that you've gathered all necessary information, visit HealthCare.gov, call the Marketplace Call Center at 1-800-318-2596, or meet with the professional helping you to apply for or renew your Marketplace coverage. TTY users should call 1-855-889-4325.
